**DGP Publishing E-Books Now Available from EdTech  
to Teach Language Arts in A New Way**

**Tempe, Arizona – October 3, 2018** – EdTech Software has announced today that innovative language arts e-textbooks by DGP Publishing are available to the public through a new partnership. By using any Internet-enabled device, teachers, parents, and students, can go to the [DGP Publishing page](#) on EdTech Software's [ShelfIt.com](http://ShelfIt.com) Website and download their e-books.

“We are excited about partnering with EdTech Software to provide our highly-effective resources in a digital format” said Dawn Burnette, President of DGP Publishing. “As more and more teachers are requesting digital versions of our materials, we are confident that EdTech will provide a great platform and outstanding service” Burnette added.

“DGP Publishing’s materials are based on research and experience, and they’re effective for all types of students in all parts of the world. They haven’t just produced the same old materials with a new look -- they created a completely new way to approach language arts, and we are very happy to offer their e-books on our website”, said Peter Sauer, President of EdTech.

DGP Publishing e-books can be easily downloaded by students, teachers, and parents anywhere in the world by going to [EdTech’s ShelfIt website](#), and on the [DGP Publishing page](#).

**About EdTech Software Company:**

EdTech makes it easy and simple for schools and students to manage and access personalized digital content, using one platform from any device.

EdTech’s cutting-edge approach to e-book implementation and its innovative online tools give school administrators and teachers the control they need at their fingertips. EdTech also provides students with access to all their content on an easy-to-use platform with a single login, in most cases.
