BarCharts and EdTech Software Form A Partnership

Tempe, Arizona – December 11, 2018 – EdTech Software has announced today that through a new partnership with BarCharts, more than 400 QuickStudy reference guides are now available for immediate download by teachers, parents, and students on the BarCharts page on EdTech ShelfIt.com website.

"BarCharts publishing is excited to offer our best-selling, quick, concise content to EdTech's customer base. Our QuickStudy brand has become a destination brand in higher education and we are looking forward to using EdTech to make our brand a destination in K12", said Jason Scerbo, BarCharts' Vice President of Sales & Marketing.

"Having BarCharts' QuickStudy guides available to our customers, aligns very well with our mission", said Peter Sauer, President of EdTech. "We are dedicated to making things simpler and easier for teachers, students, and their parents, and the QuickStudy reference guides are one of the greatest tools to help simplify things for our customers"

BarCharts' QuickStudy reference guides can be easily downloaded by students, teachers, and parents anywhere in the world by going to EdTech's ShelfIt website, and on the BarCharts page.

About EdTech Software Company:

EdTech makes it easy and simple for schools and students to manage and access personalized digital content, using one platform from any device.

EdTech's cutting-edge approach to e-book implementation and its innovative online tools give school administrators and teachers the control they need at their fingertips. EdTech also provides students with access to all their content on an easy-to-use platform with a single login, in most cases. For more information, please visit www.EdTechSoftware.com

About BarCharts

BarCharts, Inc. is the industry leader of quick reference knowledge with our line of QuickStudy reference guides. Since 1991, we have taken 600+ subject areas and condensed them down giving the reader what they really need to know on that subject. We remove the fluff and cover the subject in only 6 pages. Our content is supported by graphs, charts and illustrations to help reinforce the content.
